

Four Funds

The Curl Mesabi Foundation currently has four dedicated funds, donors can specify a particular fund, if none is indicated donations will go to General Legacy Support.

Rock Replacement Fund

The RRCC boasts one of the finest curling clubs in the country, one of only four facilities with 8 sheets of ice. That means our curling stones are used extensively, with curling every night of the week and most weekends, November to March. We have also hosted national and world championship competitions.

Eight sheets of ice, means 128 curling stones. The life expectancy of our current rocks is about 15 years. Which means around 2031 we will need to replace them...all! The Foundation has set up a rock replacement fund with a goal of raising \$80,000.

General Legacy Support Fund

Special projects will be identified on an on-going basis.

In 2016 - 50 new curling brooms we purchased to be used by our new curlers at open houses, leagues and bonspiels.

Junior Development Fund

Our junior curlers are the future of our sport. Most every Sunday afternoon you will find volunteer instructors working with 60-70 youth, sharing their passion for our lifetime sport.

Foundation funds support school efforts to develop curling programs, encourage junior participation in regular leagues, and support competitive player development. Every year two \$500 scholarships will be awarded to high school seniors who are curlers, going to one girl & one boy attending college in the fall. Recipients will be chosen through a drawing.

Nels England Senior Bonspiel Fund

Our senior curlers are the legacy of our sport. The Nels England Memorial Bonspiel is the senior club championship bonspiel with years of tradition, pride and memories. This fund pays the expenses for this annual event to assure it will be held for many years to come.
